SP-i320

Portable Music Player with Speaker

Genius introduces SP-i320, an advanced combination of a portable MP3 player (PMP) and loud speaker. SP-i320 is a great solution to play music anywhere.
By storing MP3 music files on any USB storage device, you can play music without using other music playing devices. Control is easy, just slide the knob to turn on/off, adjust volume, and functional keys to play or select music. In additional to a headphone-out jack, you can listen to MP3 music privately. Also, it has one more AUX-in jack so you can connect to a notebook, iPod, cell phone or any electronic device through a standard 3.5mm jack. What's amazing, with the Genius-Link, you can connect multiple SP-i320 Genius portable speakers in a row to bring more stereo and richer sound to your music experience. SP-i320 has a built in rechargeable lithium battery that allows up to eight hours of usage.
Four color options: Blue, Bronze, Firebrick or Olive.

Ideal for all audio devices and USB mass storage devices
